Thinner/Clean Up:	Water
Shelf Life:	12 months

ANCILLARY PRODUCTS

- Crommelin[®] Contractor Membrane Applicator Brush – 100mm, 75mm
- Crommelin[®] Contractor Membrane Roller Cover – 230mm

APPLICATION CONDITIONS

- Surface must be dry.
- Application temperature must be above dew point.
- Do not apply if relative humidity is above 85% during initial cure phases, or if rain is expected before cure.

SUBSTRATE PREPARATION AND PRIMING

Full substrate preparation instructions can be found at www.crommelin.com.au/full-instructions/

- Surface should be dry at the time of application and reasonably free of loose dirt or dust.

Sportsline

Line marking paint for grass sports fields.

APPLICATION

Full application instructions can be found at www.crommelin.com.au/full-instructions/

- Can be applied by brush, roller, spray or line applicator.
- Do not apply too thickly as drying may be slowed down and strength will be affected.

CLEAN UP

- Uncured material may be removed with warm water and detergent.

PRECAUTIONS

- Do not apply when ground temperature is likely to be less than 10°C.

WARRANTIES

Please contact your Crommelin® representative, or the Crommelin® technical support team for detailed specifications applicable to your project and warranty requirements.
